

**WOODWARD**  
Your Local Metal Fabricator

# Advanced Metal Fabricators That Get The Job Done Right.

Let Woodward's team of professionals work with you to build and assemble your next metal-fabricated project that will exceed your expectations.

We roll steel up to 3/4" thick, 12' wide, and 16' long and deliver custom options, such as engine housings, tanks, and curved metal structures, and more.

For Quality Work, Great Service, Fair Prices, contact your hometown fabricators at [info@woodwardinc.com](mailto:info@woodwardinc.com) or 724-538-3110.
